

## PROJEKT FALEFOS

## Final project meeting

From 24. to 25.09.2015 the final the final project meeting took place at Miercurea Ciuc. The participants had the possibility to reflect the last two project years and drawn up a project newspaper with the main contents of the project incl. Cartoons of the project staff. First reports about the national events completed the program

Furthermore the participants had the opportunity to visit a children`s home. The children / young people and carers gave us a warm welcome and presented us traditional songs and dishes. It was an evening that we all enjoyed

## Practical Guidebooks

The guidebooks have been completed. The decision was to focus on 5 topics per target group to guarantee a viable use of them in everyday life.

The aim is to sensitize to cooperate with focus on the child`s welfare. A few examples for such topics:

Importance of relationship between biological parents

Biographical work planning

Planning and support of the transfer

The guidebooks are booklets which include also notes of the needs analysis report and feedback of the workshops as well as simple tags, which can be seen as short advices

## Cooperation/communication - some of the conclusions:

- Awareness of different possibilities, competences, resources
- Agreeing on a uniform action plan in relation to the child
- Readiness to make concessions ,ability to compromise
- Reliable diagnosis of the situation of the biological and foster family
- Establishing a plan for working with biological families
- Being specific about mutual expectations
- Symmetrisation of relationships
